THE 24 HOUR MEDICAL CLAIMS SERVICE

WHAT TO DO IN AN EMERGENCY

IF THERE IS AN URGENT MEDICAL EMERGENCY WHEN YOU ARE AWAY YOU SHOULD CALL 112 IN EUROPE, 911 IN THE USA AND CANADA AND THE LOCAL EQUIVALENT TO 999 IN ALL OTHER COUNTRIES.

YOU MUST THEN CALL US ON +44 (0) 1444 465 579 AS SOON AS POSSIBLE THEREAFTER SO THAT WE CAN CONFIRM IF COVER IS IN PLACE FOR YOUR CONDITION AND THE MEDICAL FACILITY WHERE YOU ARE UNDERGOING TREATMENT.

WHAT YOU MUST DO IF YOU NEED...

TO SEE A DOCTOR

If You need to see a non-hospital doctor, ensure that You choose a public/state medical facility. Your tour provider or hotel may be able to help You find a local facility. They may suggest You seek private treatment but this is not covered by the policy and may result in unnecessary treatment or inflated prices. If medical treatment costs are likely to exceed £500, please contact the 24 Hour Medical Claims Service. Otherwise, please pay and submit a claim for consideration of cover on Your return Home.

HOSPITAL TREATMENT

If You need to go to hospital or You are likely to incur medical treatment costs over £500, You MUST contact the 24 Hour Medical Claims Service in advance or cover for Your claim for medical expenses may be reduced or declined.

Please note we can only consider cover for private hospital treatment if no appropriate state hospital is available and the private treatment has been pre-authorised by the 24 Hour Medical Claims Service. You must ensure that the local emergency services understand that You should be taken to a public/state hospital in the event of a medical emergency.

The 24 Hour Medical Claims Service provides multi-lingual assistance 365 days a year and can be contacted 24 hours a day on:

+44 (0) 1444 465 579

They will communicate with doctors and hospital staff to ensure that You receive appropriate medical treatment and will organise any medically necessary repatriation to get You back to the United Kingdom safely. They will also advise You of exactly what is or isn't covered under the insurance.

Provided Your condition is covered under the policy and You have contacted the 24 Hour Medical Claims Service prior to seeking treatment where possible, they should be able to provide a guarantee of payment for costs incurred for the emergency medical and repatriation expenses.

IT IS A CONDITION OF THIS INSURANCE THAT THE 24 HOUR MEDICAL CLAIMS SERVICE SHALL BE SOLELY RESPONSIBLE FOR ALL DECISIONS ON THE MOST SUITABLE AND REASONABLE SOLUTION TO ANY MEDICAL PROBLEM, EVEN IF THAT DIFFERS FROM THE TREATING DOCTOR.

LIMITATIONS AND RESTRICTIONS

Failure to Notify the 24 Hour Medical Claims Service prior to seeking hospital treatment

Until You contact the 24 Hour Medical Claims Service, We will not pay for any costs incurred prior to You contacting them unless We deem the costs to be reasonable and customary for the medical symptoms You presented and the treatment has taken place in a state hospital, unless there was no appropriate state hospital available.

It is Your responsibility to ensure that you contact the 24 Hour Medical Claims Service as soon as possible to avoid Your claim being rejected or settlement reduced. If it is not reasonably possible for You to contact the 24 Hour Medical Claims Service prior to seeking hospital treatment due to an emergency, You must have someone else call on Your behalf or You must call them as soon as medically possible.

Pre-approval of treatment including diagnostic tests, surgery and invasive procedures

The 24 Hour Medical Claims Service must approve in advance any hospital treatment, tests, surgery or procedures prior to You undergoing them. It is Your responsibility to ask Your attending doctor to contact the 24 Hour Medical Claims Service for approval, except in extreme circumstances where such action would delay treatment in a life-threatening medical crisis.

Transfer or Medical Repatriation

We reserve the right to transfer You to another hospital and/or return You back to the United Kingdom for treatment regardless of Your travel plans. The 24 Hour Medical Claims Service will make every provision for Your Medical Condition and the suitability of care when choosing to transfer You. If You choose to decline the 24 Hour Medical Claims Service's transfer, We will be released from any liability for expenses incurred after the proposed date of transfer or return.

HINTS AND TIPS

- Save the 24 Hour Medical Claims Service telephone number in Your mobile phone before You travel so it is easy to access in the event of a medical emergency.
- Always contact the 24 Hour Medical Claims Service as soon as medically possible prior to seeking treatment. This is a requirement of Your cover but is there to help You in a medical emergency.
- Make sure You ask Your attending hospital doctor to contact the 24 Hour Medical Claims Service to obtain pre-approval of treatment or tests so that they can ensure that they are appropriate and that You are not subjected to any unnecessary procedures.
- Often, the 24 Hour Medical Claims Service will have to contact Your GP in the UK for details of Your past medical history in order to confirm coverage. Please note that some surgeries can take a number of days to respond. Keep Your validation certificate with You at all times. In the event of an emergency, being able to provide these details quickly to the 24 Hour Medical Claims Service will enable them to check Your policy details promptly and obtain an initial assessment on coverage.

RECIPROCAL HEALTH AGREEMENTS

In Europe

If You are travelling to European Union countries, You should obtain a Global Health Insurance Card (GHIC). You can apply either online through www.nhs.uk/GHIC or, by telephoning 0300 330 1350.

This will entitle You to benefit from the reciprocal health agreements which exist between certain European countries. You should take the GHIC with You and make sure that wherever possible any medical treatment is provided at hospitals or by doctors working within the terms of the Reciprocal Healthcare Agreement unless the emergency assistance service agrees otherwise.

If You are admitted to a private clinic You will be transferred to a public hospital as soon as the transfer can be arranged safely. Private medical treatment not specifically authorised by the emergency assistance service will not be insured by this policy.

In Australia and non EEA countries and territories

There are reciprocal medical treatment arrangements for United Kingdom nationals travelling in Australia. If You need medical treatment in Australia, You must enrol with a local MEDICARE office. You do not need to enrol when You arrive, but You should enrol after the first occasion You receive treatment. In-patient and out-patient treatment at a public hospital will then be available free of charge or at a minimal cost. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website at

www.medicareaustralia.gov.au

There are also reciprocal medical treatment arrangements for United Kingdom nationals travelling in other non EEA countries and territories. Details of these can be found at www.nhs.uk/NHSEngland/

WHAT TO DO IF YOU NEED...

TO COME HOME EARLY

If You need to come Home early due to Your injury or illness, You must contact the 24 Hour Medical Claims Service on **+44 (0) 1444 465 579** in advance who will assess whether appropriate treatment is available locally and, if not, authorise the expenses for You to return Home.

If You need to come Home early due to any other reason, You should make and pay for Your own arrangements and submit a claim for consideration of cover on Your return Home. This is on the proviso that Your fare class of travel does not exceed Your original booking fare class and that no more than two people are curtailing. If this is not the case, You must contact the 24 Hour Medical Claims Service on **+44 (0) 1444 465 579** in advance for their authorisation.
